- 2) The above unaudited Standalone Financial Results have been prepared in accordance with the guidelines issued by the Securities and Exchange Board of India ("SEBI") and the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013.
- 3) During financial year 2019-20, pursuant to resolution passed by the Board of Directors of the Aye Ess Spinning Mills Pvt. Limited, Ahmedabad (herein after referred to as "Aye Ess"), the 100% Subsidiary Company of the company, has filed an application under section 248(2) of the Companies Act, 2013 for voluntarily striking off of the name of the company from the Register of Companies with Registrar of Companies, Gujarat (i.e. ROC), after complying with all the prescribed legal formalities. Pending publication of notice in the Official Gazette by the ROC, Gujarat, and the name of the Aye Ess Company is yet to be stricken-off from Register of Companies and to be dissolved as at September 30, 2020. As the net worth of the Aye Ess as at September 30, 2020 is nil, the investment in Aye Ess amounting to Rs.1.00 lac had been provided as loss in diminution in value of investment in subsidiary in Standalone Financial Results of the company for the year ended March 31, 2020.

Because of above and in absence of business operations in subsidiary during the current period, no Consolidated Financial Results for the same are prepared.

- 4) The outbreak of COVID-19 pandemic globally and in India is causing significant disturbance and slowdown of economic activity. COVID-19 has caused interruption in production, supply chain disruption, unavailability of personnel, etc. during last week of March, 2020 and thereafter. The management of the Company has exercised due care in concluding significant accounting judgments and estimates in preparation of the financial results. In assessing the recoverability of Trade receivables, the Company has considered subsequent recoveries, past trends, credit risk profiles of the customers and internal and external information available up to the date of issuance of these financial results. In assessing the recoverability of inventories, the Company has considered the latest selling prices, customer orders on hand and margins. Based on the above assessment, the Company is of the view that the carrying amounts of Trade receivables and inventories are expected to be realizable to the extent shown in the financial results. The impact of COVID-19 is highly uncertain and may be different from the estimates as at the date of approval of these financial results and the Company will continue to closely monitor any material changes to future economic conditions.

The company has partially started its manufacturing operations in later part of the quarter ended September 30, 2020 and believes that the same will be operated with normal capacity within reasonable period. The management expects that better profitability will be made in subsequent quarters for the financial year 2020-21 from business operations and therefore no adjustments are required to be made in carrying value of the inventories as at September 30, 2020 which is being carried forward from March 31, 2020. The auditors are relied upon and accepted the assumptions and explanations provided by the management.
- 6) The company is continuing with the balance of MAT credit aggregating to Rs.1357.45 lacs recognized up to March 31, 2020. Based on the future projections of profitability and tax liabilities computed in accordance with the provisions of Income Tax Act, 1961, the management of the company believes that there shall be sufficient future taxable profit and the company shall be required to pay normal taxes within the period specified u/s. 115JAA of the Income Tax Act and entire amount of MAT credit shall be setoff/ utilised. Therefore, in accordance with the Guidance Note on Minimum Alternate Tax under the Income Tax Act, 1961 issued by the Institute of Chartered Accountants of India, such MAT credit has been continued to be recognised as asset.

- 7) Though the company has partially started its manufacturing operations in later part of the quarter ended September 30, 2020 and therefore, the income from Power generation – Wind Mills has been substantially reduced due to shorter credit given by Torrent Power Limited (i.e. TPL) compare to power units generated from Wind Mills. The management is of the view that the balance amount of credit will be utilized in subsequent period of the financial year 2020-21 and the said credit will be subsequently recognized in the books as and when the credits are given by TPL.
- 8) The company has provided interest liabilities as at September 30, 2020 as per the terms of finance as amended from time to time after considering the benefits of moratorium granted by the Reserve Bank of India.

Due to the economic fallout on account of the Covid-19 pandemic which has led to significant financial stress for borrowers across India and with reference to Resolution Framework for COVID-19-related Stress issued by Reserve Bank of India dated 6th August and 7th September 2020, the company has submitted Restructuring Proposal to the Consortium Bankers and the Consortium Bankers have entered into Inter-Creditor Agreements (ICA) on 23rd October, 2020 complying with the regulation of the said RBI Circular for execution of ICA and further compliance pursuant to the said ICA is under progress.

- 9) In absence of taxable income during the period under review, no provision for current tax /deferred tax is required to be made.
- 10) The previous periods/year's figures have been regrouped and rearranged where necessary, to make them comparable to current period/year figures.
